BRANDON PEAT
BRANDON PEAT DESIGN, LLC

After two and a half years as an Art Director and Interactive Developer for a prominent Fort Wayne ad agency, I decided to return to my roots as a freelance designer – a very successful move that prompted me to incorporate as an LLC. I bring over 4 years of on-the-job industry experience to the table, pride myself on reasonable rates and accurate budget estimation, and am always looking for a cool new project to sink my teeth into. I also love to meet potential clients, so if you think you might be one, check out my portfolio at www.brandonpeat.com or drop me a line at brandonpeat@gmail.com – I'd love to hear from you!
